

If you were somehow able to  
change yourself & reach them

and it may seem that someone  
is on a level above you.

They seem cool, interesting,  
and agonisingly unattainable.

you would probably realise that  
they are not necessarily better

they are just different...

# HOW to LOVE

matsu asks:

What do I do when someone  
is too good for me?

and maybe we will find someone  
with whom we have things in common.

You are you

LINE WEBTOON

and that what we consider  
to be a hierarchy

is arbitrary & misleading.

Often, things are better when  
We ignore this hierarchy

and focus on ourselves
